BIG RED BOOKSHELF

GOAL: PROVIDING BOOKS FOR OUR CHILDREN

HOW IT WORKS:

HOW MUCH DOES IT COST?

The Big Red Bookshelf Project provides new or gently used books donated by community members like you!

WHO BENEFITS?

Children from the earliest literary level to third grade! Children are encouraged to take a book from the bookshelf free of charge which is theirs to keep in the hope they will read, learn, and share.

WHERE CAN THE BOOKS BE FOUND?

Find them on the brightly painted red bookshelves built by local volunteers at locations around Richland County where young children visit with their families!
