

# United Way of Richland County Summer of Caring 2026

*Sign Up Sheet*

## We invite you to be a part of something great!

Spend a day participating in projects in support of United Way's agencies and other area non-profits. These organizations meet a variety of community needs and provide vital services and support to so many individuals throughout Richland County.

Projects will occur from July 13 - September 30, 2026, on a variety of days. Organizations can volunteer for one day at one project site or multiple days at multiple sites.

While at your site, we invite you to learn a little bit more about the organization you are supporting and the great programs they provide county-wide.

***Yes, I want to help support the United Way with their  
Summer of Caring event!***
